Description of work to be done: _____ Build a block wall to prevent damage from flooding + wave action during high water levels. _____

HARDSHIP OR REASON FOR REFERRAL:

121 fences and walls
LWRP

Attention: Planning Board

Subject: Kien Wall

Dear Members,

As per a phone call with Mrs. Kien she is intending to do the work in the same fashion as her eastern neighbor Mr. & Mrs. Mills. I am submitting the application with the Mills description because it was explained that is the same way that their wall will be constructed. The opening, if there is to be one will be determined at a later date.

Respectfully,

Kevin Druschel

Code Enforcement Officer

The Village of Sodus Point
